

Harbor

POLTRONE

2017

Naoto Fukasawa

Description

Enveloping and sinuous, the Harbor armchair with armrests stands out for its sculptural design. It comes in two ergonomically designed versions: a relaxing armchair with a high backrest and headrest, and another with a low back fostering conversation. Both come with a swivel base and a visible metal zipper on the rear of the backrest, allowing the cover to be removed. The Harbor armchairs can be matched with an ottoman, onto which a tray can be rested for use as a small table. The series also includes a two-seater sofa.

Technical information

Internal frame

tubular steel and steel profiles

Internal frame upholstery

Bayfit® flexible cold shaped polyurethane foam, polyester fibre cover

Swivel base-frame (HA80A-HA80B)

steel laminate and aluminium

Base-frame (HA61P)

steel laminate
