Ayana

TAVOLINI

2020

Naoto Fukasawa

Description

The minimalist Ayana small table for outdoor use combines a natural teakwood round-section frame with an oval top in serpentine, a stone typical of the Alps. It forms part of a collection that includes a dining table, a chair, an armchair and a line of sofas, all characterised by a green soul. The teakwood used for the frames is FSC® (Forest Stewardship Council) certified and all the materials that make up the various elements of the series are designed to be separated and disposed of in an environmentally friendly manner at the end of the product's life cycle.

Technical information

Frame
solid wood
Top
Serpentine stone
