Description

Quiet Lines, a transversal collection consisting of writing desk, bench, bedside table, and screen, is the result of research into serenity by Gabriel Tan and B&B Italia. The silhouette of each collection piece is made up of curved and straight lines, with a striking graphic mark. The curved surfaces upholstered in leather provide tactility and comfort and muffle the sound of objects as they are placed on the shelves. The writing desk, that can also be used as a vanity desk, is characterised by a glass top that allows a glimpse of the objects positioned on the leather shelf positioned underneath.
