# Dambodue

DIVANI

2024

Piero Lissoni

## Description

---

The Dambo sofa family expands with Dambodue, a new version with a particularly generous shape and richly upholstered back and armrests. The seat is direct and rests on the floor, emphasised at the base by a bronzed nickel painted profile that gives it a particularly strong character. While presenting linear geometries, the design has been carefully studied to ensure comfort and functionality. In fact, Dambodue proves to be surprisingly comfortable and cosy, while maintaining a seat with limited depth. The range includes the linear sofa in two- and three-seater versions and a variety of elements to create different types of compositions.

## Technical information

---

**Internal frame**

tubular steel and steel profiles

**Internal frame upholstery**

flexible cold shaped polyurethane foam, polyester fibre cover

**Back cushion (DU55\_C)**

polyester fibre

**Corner**

die-cast aluminium

**Lower edge**

aluminium extrusions

**Ferrules**

plastic material

**Cover**

fabric or leather
