Allure O' Dot

TAVOLINI

2024

Monica Armani

Description

The coffee tables Allure O’ Dot are characterized by versatility and functionality, ideal as furnishing complements, or service elements. They boast a fresh, dynamic, and trendy design, characterized by the iconic shape of the tops and bases, which echo the distinctive design of the Allure O’ tables, the refinement of materials, colours and the play of transparencies. The bases in rigid lacquered polyurethane and the tops in smoky or transparent glass, both with central serigraphy, are the elements that give life to a transversal product, capable of adapting to multiple functions and uses. The result of Monica Armani’s vision, combining taste, elegance and modernity in a single proposal, Allure O’ Dot is available in three colours.

Technical information

Top and base-frame (TAD53Q_4)
hard polyurethane
Base-frame (TAD53Q_4)
metal
Fixing element (TAD53Q_4)
steel
Ferrules (TAD53Q_4)
felt
Top
tempered glass with steel plate
Base-frame
hard polyurethane
Support frame
metal
Ferrules
thermoplastic material
