Description

Since 2002, the Metropolitan series by B&B Italia has represented excellence in lounge chair design, evolving over time to offer complementary and innovative solutions. Each new version is created with a clear objective: to expand the seating experience, adapting to contemporary demands for comfort and functionality. Metropolitan Relax is the latest evolution of this iconic family, designed to offer a new level of well-being and adaptability. Thanks to its "tilt" rocking and swivel mechanism, the chair fluidly follows the body's natural movements, ensuring impeccable support in any position. The newly designed upper backrest and headrest provide optimal support for the head and upper body, enhancing every moment of relaxation. Available with an aluminium frame and upholstered in a wide selection of fabrics and leathers, Metropolitan Relax seamlessly fits into residential interiors, as well as luxury hospitality and executive office spaces.
