Description

Multipurpose tables with one or two tops in different heights and a sophisticated playful spirit depending on the finishes. There are many graphically powerful combinations of surfaces and frames: marble, wood, glass and lacquer for the former, chrome and varnish, even coloured, for the latter. Various interpretations make them the ideal choice for several settings that can be either rigorous or dynamic.

Technical information

Top
veneered MDF wood fibre panel, glass on MDF wood fibre panel, marble (glossy polyester finish or matt polyester finish)

Support
frame drawn steel
