

# Landscape

POLTRONE

2001

Jeffrey Bernett

## Description

---

Airy and agile, the Landscape chaise longue, featuring an essential design with a light steel frame, has become a genuine bestseller – a true expression of comfort and elegance. The cover, in fabric or leather, is sewn in segments and is completely removable. For added comfort, Landscape comes with an adjustable headrest that can be positioned at will through the use of a magnet.
