

B&B Atoll

POLTRONE

2021

Antonio Citterio

Description

The latest addition to the B&B Atoll seating range is this new small armchair. Agile and elevated in design, its thin metal legs evoke the style of the sofa and are ideally complemented by the characteristic shape of the cushions, which harmonise linearity with softness. The backrest and seat are characterised by two soft cushions that rest on a slightly inclined frame, providing the ideal balance between comfort and functionality.

Technical information

Internal frame

tubular steel and steel profiles

Internal frame upholstery

Bayfit® flexible cold shaped polyurethane foam, polyester fibre cover
