

# Gio

COMPLEMENTS

2016

Antonio Citterio

## Description

---

Dedicated to living en plein air, the Gio outdoor bench forms part of a large family of sofas, armchairs, chairs, tables and loungers. Classic yet contemporary in style, on a solid natural teakwood or a special antique grey finish frame, which gives the wood a particular lived-in look with silver grey reflections. The seat cushion is particularly comfortable and covered with outdoor fabrics.
