

# Bamboletto

BEDS

2022

Mario Bellini

## Description

---

The Bamboletto bed is part of Le Bambole series, originally designed in 1972, awarded with the Compasso d'Oro in 1979. An upholstered bed with generous shapes that features the design of the iconic seats collection, Bamboletto is one of the most significant expressions of Made in Italy excellence combining research and creative flair.

## Technical information

---
