Eileen

SMALL TABLES

2003

Antonio Citterio

Description

Multipurpose tables with one or two tops in different heights and a sophisticated playful spirit depending on the finishes. There are many graphically powerful combinations of surfaces and frames: marble, wood, glass and lacquer for the former, chrome and varnish, even coloured, for the latter. Various interpretations make them the ideal choice for several settings that can be either rigorous or dynamic.

Technical information

Platte
Paneel aus MDF Holzfaser furniert, Glas auf Paneel aus MDF Holzfaser, Marmor (Polyesterausführung glänzend oder Polyesterausführung matt)
Traggestell
gezogener Stahl
