

Alys

BEDS

2013

Gabriele & Oscar Buratti

Description

A sheet of leather “pinched” in two places at the base: here is where the movement and natural inclination of the Alys headboard originate. A headboard with a welcoming and protective shape, of great formal effectiveness, that has thin perimeter strips marked by a lengthwise seam. Alys frame can be placed at two different heights, thanks to two sets of feet supplied with the bed.
