

Cozy

SMALL TABLES

2016

Antonio Citterio

Description

With the Cozy small tables Antonio Citterio revisits the aesthetics of the classical three-legged pedestal table, converting it into an intentionally eccentric item of high design. An attractive element that merges into various interiors, it has a supporting frame in die-cast brass or in painted metal alloy with. The top is available in round and oval version in many variants: oak wood with several finishes, eucalyptus, glass or marble.
