

# Bay

**ARMCHAIRS** 

2018

Nipa Doshi & Jonathan Levien

## Description

Bay is a sculptural, monolithic collection of braided outdoor furnishings. Enveloping braided volumes are combined with padded rock-like seats and soft cushions that reflect the elegance, comfort and refinement of B&B Italia's indoor products. Sensually shaped, their double braiding creates air pockets that grant transparency and lightness to the collection.

### Technical information

1

#### **Internal frame**

tubular steel and steel profiles

#### **Back frame**

aluminium

#### Upholstery
