SMALL TABLES

2010

Vincent Van Duysen

## Description

---

Minimalist, geometric, linear, almost modular, Surface is a series of multipurpose, highly customisable small tables inspired, in the words of the designer, by a painting by Piet Mondrian and the sculptures of Donald Judd. Skilfully combining wood, metal and satin and glossy colours, they express a poetic design that moves between reduced forms, essential materials and natural colour choices. Sober features that never issue from simplification but rather from a subtle quest for balance.
