Ac Lounge

SOFAS

2009

[Antonio Citterio](#)

Description

With its natural timeless elegance, the AC Lounge sofa epitomises the classicism of the Maxalto collection. Designed for use in the contract furniture sector, it adapts elegantly also to residential contexts. The seat is formed by a single quilted cushion, a design echoed in the backrest cushions. The upholstery is in fabric or leather, while the feet and the lower edge are available in painted metal.
