# Husk

BEDS

Patricia Urquiola

## Description

---

The Husk double bed, with textile or leather upholstery, features a headboard with a strong personality that accommodates a box spring, available in four sizes. Soft and welcoming, simple yet complex in its geometry, the headboard is punctuated by tufting. The bed reflects the same research into softness and comfort as the armchair of the same name that gave rise to the series, inclusive of a sofa, chairs and small tables.

# Technical information

---
