
Alys

BEDS

Gabriele & Oscar Buratti

Description

A sheet of leather “pinched” in two places at the base: here is where the movement and natural inclination of the Alys headboard originate. A headboard with a welcoming and protective shape, of great formal effectiveness, that has thin perimeter strips marked by a lengthwise seam. The bed frame can be placed at two different heights, thanks to two sets of feet supplied with the bed.

Technical information

Internal frame

tubular steel and steel profiles

Internal frame upholstery

Bayfit® flexible cold shaped polyurethane foam, polyester fibre cover

Bed sides

anodized aluminium extrusions

Feet

thermoplastic material
