
Charles Outdoor

SOFAS

Antonio Citterio

Description

The outdoor version of the Charles sofa system - a long-time bestseller for B&B Italia - preserves the quality of the interior design project and the characteristics that made it a classic of pure contemporary taste. Indeed, the system features the same slim frame, flexibility and signature design of the inverted "L" shaped feet. With its rigorous, timeless aesthetic, it stands out for its lightweight internal aluminium frame and an external surface created by an open interlacing polypropylene ribbon.

Technical information

Internal frame

tubular aluminium and aluminium profiles

Interlacing

polypropylene fibre

Seat cushion

shaped polyurethane, cover in water repellent polyester fibre

Back cushion

polyester fibre, cover in water repellent polyester fibre

Feet

die-cast aluminium with polyester powder painting
