# Crinoline

ARMCHAIRS

Patricia Urquiola

## Description

---

With its enveloping, feminine lines, Crinoline is a series of outdoor seats whose very name echoes romantic nineteenth-century ladies' skirts. The armchair with a high backrest is characterised by a wide hollow base, also echoed in the seat and in the curvature of the back. It comes in two versions: with a polyethylene fibre interlacing, or in two colours of abaca for base and seat. In the latter version, the backrest is made even more precious and romantic by a floral interlacing motif. The small armchair is characterised by a curved double shell silhouette with polyethylene fibre interlacing. The seat cushion is upholstered in a wide range of outdoor fabrics. The Crinoline series also includes small armchairs, chairs and stools.

# Technical information

---

**Seat and back frame**

aluminium with polyester powder painting

**Seat cushion/Seat and back cushion**

shaped polyurethane, cover in water repellent polyester fibre

**Seat cushion (C5P-C5C)**

shaped polyurethane, cover in water repellent polyester fibre (with heat-sealed ribbon)
