Tavolini

Antonio Citterio

## Descrizione

I tavolini Mirto Outdoor, quadrati e rettangolari in diverse dimensioni e finiture, si distinguono per la purezza delle forme, l'eleganza senza tempo e la qualità dei dettagli. Hanno strutture leggere in pressofusione d'alluminio abbinata a diverse tipologie di piani: in alluminio verniciato, a doghe di Iroko, in gres porcellanato, con piastrelle in pietra lavica smaltata e decorata con disegni che riproducono un pizzo siciliano tradizionale. Quest'ultima versione utilizza per il decoro uno speciale materiale ottenuto dalla frantumazione del vetro di monitor e strumenti elettronici dismessi, applicato alla superficie delle piastrelle tramite un esclusivo processo di lavorazione.
