

Fat-Fat

Tavolini

2004

Patricia Urquiola

Descrizione

Il tema del vassoio viene ripreso per dar vita a tre tavolini il cui aspetto leggero è merito della struttura in acciaio. Anche da sovrapporre uno sull'altro. Un quarto modello, più alto degli altri, offre un appoggio estremamente comodo se accostato al divano.

Informazioni tecniche

Struttura di sostegno

lamiera e profilati d'acciaio

Vassoio

lamiera d'acciaio

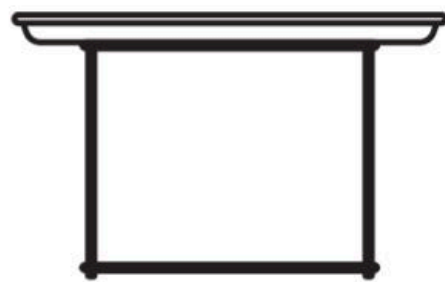

Puntali

materiale termoplastico
