Descrizione

Innovativo sistema modulare di sedute, Tufty-Time '15 attualizza e contamina con uno stile di vita più libero e informale le tradizionali tipologie di imbottiti Chesterfield e capitonné, tipiche degli anni '60 e '70. Tufty-Time '15 risponde ai temi della modularità, del comfort e della sfoderabilità attraverso configurazioni estremamente versatili. Il sistema infatti nasce da un pouf, pezzo base al quale si affiancano elementi centrali, angolari e terminali con bracciolo alto o basso, da cui si originano divani tradizionali, con chaise longue, angolari ed elementi a isola che permettono la seduta a trecentosessanta gradi. Tufty-Time '15, presentato nel 2015 per celebrare il decimo anniversario di Tufty-Time, si contraddistingue per il rivestimento tessile, suddiviso in grandi quadri, uniti a un fondo piega che conferisce un carattere indiscutibilmente contemporaneo.
